

DRUG USE QUESTIONNAIRE (DAST -10)

The following questions concern information about your potential involvement with drugs excluding alcohol and tobacco during the past 12 months. Carefully read each question and decide if your answer is “YES” or “NO”. Then, check the appropriate box beside the question.

When the words “drug abuse” are used, they mean the use of prescribed or over-the-counter medications used in excess of the directions and any non-medical use of any drugs. The various classes of drugs may include but are not limited to: cannabis (e.g., marijuana, hash), solvents (e.g., gas, paints etc...), tranquilizers (e.g., Valium), barbiturates, cocaine, and stimulants (e.g., speed), hallucinogens (e.g., LSD) or narcotics (e.g., Heroin). Remember that the questions do not include alcohol or tobacco.

Please answer every question. If you have difficulty with a question, then choose the response that is mostly right.

These questions refer to the past 12 months only:	Circle Response	
1. Have you used drugs other than those required for medical reasons?	Yes	No
2. Do you abuse more than one drug at a time?	Yes	No
